ANNUAL REPORT

2017/18

MESSAGE FROM THE CHAIRMAN

On behalf of the Dragon Foundation, I am pleased to present this report outlining the programmes carried out in 2017-18. We have enjoyed a busy year and I am pleased that we continue to fulfil our mission in providing leadership training opportunities for young Chinese people from around the world.

The Dragon 100 programme, with support from China Resources Power, brought together young Chinese leaders from 14 countries and regions to explore rapid and sustainable developments in Hong Kong, Shenzhen and Henan, while also providing them the opportunity to learn more about their cultural heritage.

We continue to seek ways to raise funds and I am very thankful for the support and generous donations in cash and in kind from many individuals and organisations. This past year we managed to raise around \$1.9 m through the Charity Golf Tournament in April 2017 and The Charity Premiere in January 2018. None of this would have been possible without the hard work and efforts of the Programme and Fund Raising Committee, especially Dr. Jimmy Tang, Mr. Tenniel Chu and Mr. Christopher Lau. Thank you all!

We are always pleased when former participants continue to maintain their friendships and association. Our two alumni associations, the DragoNation and Envision Hong Kong, continued to organise forums, mentorship programmes and overseas gatherings. Working closely with each other and volunteering in the community, the members all served as a mobilisation force for the Foundation.

Finally, it has indeed been an honour for me to serve The Dragon Foundation as Chairman for the past 15 years. I have thoroughly enjoyed meeting and working closely with many young people and I thank you for giving me this privilege. Let me assure all that though I may be stepping down I will always support, encourage and cheer on the young people who pass through The Dragon Foundation.

I would like to thank my Board of Directors for all their support and guidance, and wish them, and my successor, continued success as they continue to lead the Foundation.

A handwritten signature in black ink, reading "T. Liang Yang".

Sir Ti Liang Yang, GBM

ABOUT THE DRAGON FOUNDATION

2000 was both the start of the new millennium and, according to the Chinese calendar, the Year of the Dragon. To commemorate these auspicious events, The Hong Kong Federation of Youth Groups, the Home Affairs Bureau of the Hong Kong Special Administrative Region (HKSAR) Government and The All-China Youth Federation co-organised the Dragon at the Great Wall – Commemorating the New Millennium: a Vision for Youth.

This special project included a youth conference, Meeting the Challenges of the New Millennium, which discussed issues on the theme of visualising the Trends of Global Development and the Challenges of the 21st Century. Held at the Great Hall of the People in Beijing and attended by more than 3,000 Chinese youth from across the globe, the event culminated in raising a 10,000-foot-long dragon at the Great Wall which then successfully broke the current Guinness World Record for the longest dragon dance.

Following this successful event, and with community support and encouragement, The Dragon Foundation was set up, taking forward the aims manifested by the Dragon at the Great Wall. The Foundation was established in Hong Kong and inaugurated on 12 February 2000. The Honourable Tung Chee-hwa, the then Chief Executive of the HKSAR, and The Honourable Elsie Leung, the then Chief Justice of the HKSAR, officiated at the Inaugural Ceremony.

The Foundation was incorporated under the Companies Ordinance and registered as a non-profit, charitable organisation. Its fundamental objectives are to develop leadership skills and nurture innovative and creative talent among ethnic Chinese youth around the world, while encouraging and facilitating exchange networks amongst them. The Foundation also nurtures a spirit of service and civic responsibility in the community. It recognises the outstanding achievements of youth in various professions. The Foundation’s Board of Directors includes representatives of The Hong Kong Federation of Youth Groups, the HKSAR Government, and prominent leaders from various sectors of the community. The Foundation’s Secretariat is administered by The Hong Kong Federation of Youth Groups.^{Xv}
