龍傳基金主席獻辭 MESSAGE FROM CHAIRMAN

黃嘉純律師, SBS, JP

Mr Lester HUANG, SBS, JP

可持續的水資源管理與應對氣候變遷息息相關，加上近年「ESG」（環境、社會及管治）日益受到重視，青年無論身處何種行業，如何做好自身角色、一起維護珍貴水資源，既是邁向可持續發展的關鍵，更是對社會的積極承擔。

為此，龍傳基金舉辦2025「龍匯100」，以「從東江水看永續發展」為主題，帶領來自世界各地的優秀青年走訪香港、惠州及東莞。通過認識東江供水工程供港60周年的歷史，了解區域協作及可持續發展課題。在這場兼具水資源永續探索與領導力成長的旅程，青年代表將深度參與文化交流及領導力對話，探究區域供水實踐，洞悉全球可持續發展挑戰，親身體會粵港兩地在水資源治理與永續發展領域的交融之美；並於城市穿梭間學習豐盛的炎黃文化，追溯中華歷史足跡。

適逢龍傳基金銀禧紀念，「龍匯100」一直是本基金的重要項目，致力聯繫全球華裔青年領袖，為青年代表提供深入探索根源的平台，與同輩建立持久聯繫，推動社會發展。我誠摯感謝捐贈機構、中央人民政府駐香港特別行政區聯絡辦公室青年工作部、香港人才服務辦公室、惠州青年聯合會、東莞青年聯合會及其他參與單位對青年發展和成長的鼎力支持，助力跨區域交流，培育新生代領袖。

我特別感謝龍傳基金的義務秘書譚贛蘭女士擔任團長，以專業與熱忱引領青年，傳承永續發展的使命與領袖智慧。

期望所有青年代表把握這次機會，於旅程中創造難忘回憶和交流，並在永續發展領域找到實踐方向。

As The Dragon Foundation celebrates its Silver Jubilee, “Dragon 100” continues to connect passionate young, ethnically Chinese leaders who believe in turning vision into action. This programme is more than a study or leadership tour; it is about rediscovering roots, forming lifelong friendships, and creating impact together.

United by the spirit of fostering leadership and care for the planet, we now turn our focus to one of the world’s most vital resources: water.

Water gives life, connects communities, and shapes the future we all share. In a world facing climate challenges and with constantly changing global priorities, caring for every drop has never mattered more. For young people, it’s not just about sustainability and protecting water resources, it is about taking the lead and making a real difference.

With this mission, The Dragon Foundation proudly presents “Dragon 100” 2025 under the theme *Drops of the Future: Sustainability*. This year’s programme brings together outstanding young people of Chinese origin from around the world on a vibrant journey across Hong Kong, Huizhou, and Dongguan. Along the way, participants will explore the inspiring 60-year story of the Dongjiang Water Supply Project, discover how collaboration fuels regional resilience between Guangdong and Hong Kong, and exchange fresh ideas on building a sustainable world, as they trace the footprints of Chinese history.

Heartfelt thanks go to the Funding Organisation, the Department of Youth Affairs of the Liaison Office of the Central People’s Government in the HKSAR, Hong Kong Talent Engage, the Huizhou Youth Federation, the Dongguan Youth Federation, and all partners who make this journey possible. Special appreciation also to Ms Annie TAM, GBS, JP, Honorary Secretary of The Dragon Foundation and Delegation Leader, for guiding our delegates with dedication and heart.

May every delegate dive into this experience with curiosity, courage, and joy, as they learn from each encounter and find inspiration to shape a brighter, more sustainable future.

代表團顧問獻辭

MESSAGE FROM DELEGATION ADVISER

Dr Rosanna WONG Yick-ming, DBE, JP
 Director, The Dragon Foundation
 Senior Advisor, The Hong Kong Federation of Youth Groups
 王葛鳴博士, DBE, JP
 龍傳基金董事及香港青年協會高級顧問

龍傳基金自2002年啟動「龍匯100」以來，始終秉持匯聚全球優秀華裔青年的宗旨。每年透過深度交流、實地考察與主題探索，協助青年連結中華文化根脈、洞悉國家發展脈絡。這個項目堅持二十餘載，至今依然令人期待。

2025「龍匯100」聚焦「從東江水看永續發展」，邀請全球華裔青年走進惠州與東莞，近距離了解粵港跨境供水的發展及意義。從大灣區綠色發展的實踐中，汲取智慧，開拓全球水資源治理領域的宏觀視野。此行亦將成為一道橋樑，讓青年深入認識中國的悠久歷史與內地城市的風土人情，締結跨地域的真摯情誼。

我相信，每一位參與的青年代表皆蘊藏著塑造未來、推動世界進步的潛能。東江供水60周年所展現的協作精神，將成為本次旅程最深刻的啟迪。我鼓勵各位在旅程中主動對話、碰撞思維，將所學所悟昇華為對永續發展的承諾與行動，以青年之聲回應這個充滿意義的重大課題。

祝願所有參加者在這段富有啟發的旅程中，收穫知識、積累視野，並在永續發展的未來藍圖中，添上具影響力的印記。

Since its launch in 2002, the “Dragon 100” Programme has remained true to its original mission of uniting outstanding ethnic Chinese youth from around the world. Over the years, countless young people have come together to share ideas, visit meaningful places, and explore the depth of Chinese culture and the nation’s growth story. What began more than two decades ago continues to inspire new generations with the same sense of curiosity and connection.

In 2025, under the theme *Drops of the Future: Sustainability*, this journey offers far more than a study of places; it is an opportunity to see, listen, and reflect. Every new experience opens the mind to different ways of thinking, deepens understanding of how societies grow, and reminds us of our shared responsibility to the world around us. Learning in this way nurtures empathy, curiosity, and the ability to see connections across cultures and generations.

The lessons gained through this exploration will stay long after the journey ends. Knowledge becomes more meaningful when it is transformed into awareness and action. By embracing each moment with an open heart, every delegate can carry forward the spirit of collaboration and contribute to a more thoughtful and sustainable future for all.

May this experience offer both knowledge and perspective, and may it nurture in every participant a lifelong commitment to building a more resilient and caring world.

代表團顧問獻辭

MESSAGE FROM DELEGATION ADVISER

Ms HSU Siu-man
 Director, The Dragon Foundation
 Executive Director, The Hong Kong Federation of Youth Groups
 徐小曼女士
 龍傳基金董事及香港青年協會總幹事

香港特區政府在施政報告中，強調並鼓勵內地和海外青年來港交流。過去20多年來，龍傳基金藉著「龍匯100」，讓世界各地的華裔青年領袖聚首香港，更通過這道橋樑，引領他們踏足內地，親身探索國家深厚的歷史文化底蘊，並洞察近年的創新成就與發展實力，啟發青年回饋社會。

2025「龍匯100」以「從東江水看永續發展」為主題，正是最佳體現。紀念東江供水工程供港60周年的同時，也透過對水資源管理的深度探究，考察區域協作的典範。我們期待與青年攜手創變，為全球可持續發展力求創新。

所有參與的青年代表憑藉優秀成就與無限潛力脫穎而出，在各自領域閃耀光芒，我由衷為你們感到自豪。期望大家透過這次旅程，既可深入了解永續發展的進程，開拓視野，將見解轉化為行動，為所屬社區乃至全球永續發展事業貢獻力量。

願這趟東江尋源之旅，成為你們踐行永續的起點，凝聚守護水資源的信念與行動力。以青年之力量，傳承綠色使命，共築生生不息的未來。

For over two decades, the “Dragon 100” Programme has been a bridge connecting outstanding young leaders of Chinese heritage from around the world. Through shared journeys, meaningful exchanges, and hands-on experiences, it has nurtured friendships, broadened perspectives, and deepened understanding across cultures and generations.

This year’s “Dragon 100” takes water as its theme, flowing with the spirit of renewal, connection, and sustainability. Together, delegates will explore new ideas, exchange insights, and experience how collaboration can spark innovation and create lasting change.

Each participant has been chosen for your remarkable talent and potential. May this journey not only open your eyes to new horizons but also strengthen your resolve to make a difference, as you turn what you learn into real impact within your communities and the wider world.

Embrace this experience with an open heart and a curious mind. Learn from one another, build bridges of understanding, and carry forward the shared hope for a more sustainable and connected future.

團長獻辭 MESSAGE FROM DELEGATION LEADER

Ms Annie TAM, GBS, JP
Honorary Secretary and Director, The Dragon Foundation
龍傳基金榮譽秘書及董事
譚穎蘭女士, GBS, JP

我很榮幸能再度擔任「龍匯100」的團長，帶領世界各地優秀青年代表，一同開展這趟結合「現代與歷史」的考察之旅。

2025「龍匯100」參加者走訪香港的同時，亦將探索華南重要城市——惠州及東莞，以「從東江水看永續發展」為核心主軸。今年是東江供水工程供港60周年，使這趟旅程更添意義，也讓青年親身體悟飲水思源的真諦，明白國家對香港的堅實支持。

今次行程的精髓，在於實地參訪當地水資源管理樞紐與永續發展企業，近距離了解粵港跨境供水的運作實踐，探索水資源保護與產業綠色升級的創新方案，深切體會東江水背後的區域協作精神與可持續發展力量。

我深信這次惠州及東莞之旅，定能帶來實質且豐碩的收穫，既拓展永續發展領域的專業視野與知識深度，也為每一位青年代表，留下溫暖而深刻的回憶。

It is a great honour to once again serve as Delegation Leader of “Dragon 100,” guiding outstanding young ethnic Chinese leaders from around the world on this meaningful study tour that blends modernity with history.

This year’s journey takes our delegates across Hong Kong, Huizhou, and Dongguan, two important cities in South China, under the theme *Drops of the Future: Sustainability*. Marking the 60th anniversary of the Dongjiang Water Supply Project to Hong Kong, the programme carries special significance. It offers young participants a chance to understand the true meaning of “remembering the source of one’s blessings” and to appreciate the enduring support the motherland has given to Hong Kong.

The heart of this itinerary lies in hands-on learning through visits to local water resource management hubs and sustainable development enterprises. Delegates will gain first-hand insight into the cross-border water supply system between Guangdong and Hong Kong, explore innovative practices in water conservation and green industry transformation, and experience how collaboration along the Dongjiang River drives both sustainability and shared progress.

I am sure that this journey through Huizhou and Dongguan will result in meaningful discoveries and lasting impressions. It will broaden professional horizons, deepen understanding of sustainable development, and, above all, create memories that connect purpose with friendship for years to come.

「龍匯100」簡介 INTRODUCTION OF THE “DRAGON 100”

「龍匯100」是一項年度項目，匯聚100位具潛質的未來領袖——他們具備優秀技能、學術實力，並對社會有承擔。每年，「龍匯100」召集參加者匯聚香港，並前往內地至少一個城市考察，深入了解國家發展、中華歷史與文化。項目旨在讓參加者帶走創意、豐富的中華文化知識，以及更廣闊的人脈網絡。2002年至2025年，來自41個國家及地區、超過1800名參加者已參與「龍匯100」。

2025年「龍匯100」以「從東江水看永續發展」為主題，紀念東江供水工程供港60周年。本項目旨在協助全球華裔青年認識香港與祖國的優勢。今年項目於12月17日至24日進行，通過到訪香港、惠州及東莞，讓參加者從東江水系統了解水資源，窺探可持續發展的課題，作出綠色實踐；同時加深與祖國文化的聯繫，把握發展機遇，培育尋根意識與愛國情懷。

The “Dragon 100” recruits 100 exceptional ethnic Chinese youth from around the globe each year to explore Hong Kong and at least one city in Mainland China, as they enhance their understanding of social and economic issues, gain a broader perspectives and make new friends.

This year’s theme, Drops of the Future: Sustainability (從東江水看永續發展), will take place from December 17-24, 2025, highlighting water resource management in celebration of the 60th Anniversary of the Dongjiang Water Supply Project. It also introduces and empowers the participants to the following Sustainable Development Goals, including, Clean Water and Sanitation (Goal 6); Sustainable Cities and Communities (Goal 11); Climate Action (Goal 13) and Life Below Water (Goal 14).

Delegates will experience three vibrant cities: Hong Kong, Huizhou, and Dongguan. Through visits to water management facilities, ecological projects and innovative tech enterprises, participants will gain hands-on insights into sustainable development solutions. The itinerary also features cultural immersions at historical landmarks, fostering a sense of national identity.

THE DROPS OF THE FUTURE : SUSTAINABILITY

從東江水看永續發展

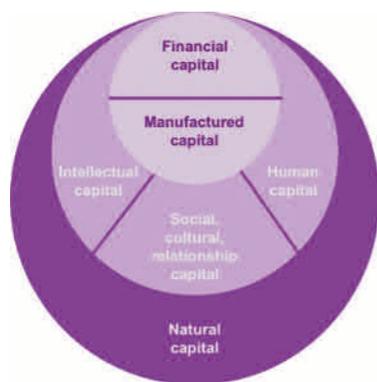

The concept of sustainability has evolved far beyond simple environmental considerations or purely financial investments. In order to deliver on the Sustainable Development Goals (SDGs), we need to adopt and make considerations of integrated frameworks such as the Five Capitals Model. This model provides a comprehensive lens for measuring long-term value creation by viewing organizational and societal wealth as consisting of five interconnected stocks of assets: Natural, Human, Social, Intellectual, and Financial capital. Unlike traditional economic approaches that often prioritize monetary gain at the expense of other resources, the Five Capitals framework posits that true sustainability is achieved only when an organization actively maintains and enhances all five stocks. This holistic perspective reveals the deep interdependencies among the capitals—for instance, how the depletion of Natural Capital (clean water, stable climate) directly undermines Human Capital (health and well-being)—making it an essential strategic tool for organizations committed to resilient, equitable, and long-term value creation.

Natural Capital

Water, generally considered a Natural Capital, is in fact a fundamental element to all five forms of capital, and the implied meaning it has, especially to the Sustainable Development Goals.

Human Capital (Health + Productivity)

SDG 3 (Good Health and Well-being) & SDG 4 (Quality Education). The provision of clean drinking water and sanitation directly addresses SDG 3 by reducing the spread of waterborne diseases, improving life expectancy, and enhancing overall community health. Furthermore, reliable water access in schools (SDG 4) and homes reduces the time spent on water collection, particularly by women and girls, freeing them for education and economic activity.

Social Capital (Trust & Cooperation)

SDG 16 (Peace, Justice, and Strong Institutions) & SDG 17 (Partnerships for the Goals). Effective water management requires strong, participatory local and national institutions, fulfilling SDG 16. Shared river basins or aquifers necessitate cooperation and governance (Social Capital) between regions or nations, directly contributing to SDG 17's emphasis on global partnerships.

Financial (& Manufactured) Capital (Infrastructure, Production & Investment)

SDG 9 (Industry, Innovation, and Infrastructure) & SDG 12 (Responsible Consumption and Production). Investing in climate-resilient water infrastructure (dams, pipes, treatment plants) is a clear investment in SDG 9. Improving water use efficiency, recycling wastewater in industrial processes, and adopting water-saving technologies in manufacturing directly support SDG 12 by ensuring production is not dependent on unsustainable levels of resource extraction.

SDG 8 (Decent Work and Economic Growth). Water-related risks—such as drought-induced shutdowns or regulatory costs from pollution—directly undermine corporate and national economic stability, hindering the sustained, inclusive growth targeted by SDG 8. Financial institutions, by factoring water scarcity and climate risk into loan and investment criteria, use their Financial Capital to incentivize sustainable practices, ensuring that economic returns are secured by well-managed Natural Capital.

Intellectual Capital (Transformation & Innovation)

SDG 13 (Climate Action) & SDG 9 (Innovation). Generating advanced hydrological models, desalination techniques, and smart water grid technologies necessary for climate adaptation and resource efficiency.

Planet Earth is clearly under stress, and Natural Capital is not unlimited, as a responsible Youth Leader, it is your mission to further optimize Intellectual Capital, ultimately, without robust Intellectual Capital, our capacity to maintain and enhance the stocks of Natural (water resources), Manufactured (efficient infrastructure), and Human (healthy, skilled workforce) capitals necessary for achieving the SDGs is severely limited.

by Mr William YUEN
Quantic EMBA, Hong Kong Chair
Alum of 2016 "Dragon 100"

PROGRAMME SCHEDULE 活動日程

Date 日期	Time 時間	Schedule 行程
2025/12/17 Hong Kong 香港	Morning 上午	Registration (Kai Tak "Runway 1331") 參加者登記 (啟德「啟航1331」集合) Welcoming and Briefing Session 迎新及簡介會 Ice-breaking and Team-building Activities 破冰及團隊建立活動
	Afternoon 下午	Visit Tai Po Water Treatment Works 參訪香港水務署大埔濾水廠
	Evening 傍晚	Meeting with officials of the Home and Youth Affairs Bureau 與民青局官員見面
2025/12/18 Hong Kong 香港	Morning 上午	Corporate Visits (by groups) 參訪企業(分組) • Watsons 大埔屈臣氏蒸餾水廠 • Swire Coca-Cola HK 香港太古可口可樂
	Afternoon 下午	The Commissioning of the 2025 "Dragon 100" and Panel Discussion 出發禮及專題研討會 Thematic Talk by Esquel and Integral 專題講座 • How innovation disrupts water resources management 紡織業、創新與永續發展
	Evening 傍晚	Hong Kong Exploration Group Activities 探索香港分組活動
2025/12/19 HK to Huizhou 香港去惠州	Morning 上午	Travel by coach to Huizhou 乘坐旅遊巴前往惠州
	Afternoon 下午	Corporate Visit: Biel Crystal (Huizhou) 考察企業：伯恩光學(惠州)有限公司
	Evening 傍晚	Welcoming Dinner & Performance 歡迎晚宴及表演
2025/12/20 Huizhou 惠州	Morning 上午	Visit Huiyang Environmental Park 參訪惠陽環境園 Visit General Ye Ting Memorial Park 參觀葉挺將軍紀念園
	Afternoon 下午	Visit Huizhou West Lake 參觀惠州西湖
	Evening 傍晚	Sustainability Workshop and Group Discussion 可持續發展工作坊及學習進度會

PROGRAMME SCHEDULE 活動日程

Date 日期	Time 時間	Schedule 行程
2025/12/21 Huizhou 惠州	Morning 上午	Visit Chaojing Gate 參觀朝京門
	Afternoon 下午	Visit East Lake Hotel—Exhibition Hall of Celebrities Rescuing Chinese cultural 參觀東湖旅店（中國文化名人大營救舊址） Visit Shuidong Street 參觀水東街
	Evening 傍晚	Group Discussion 分組討論及學習進度會
2025/12/22 Huizhou to Dongguan 惠州往東莞	Morning 上午	Corporate Visit (by groups) 考察企業 (分組) • TCL LCD Industrial Park • Airace Technology Co., Ltd. 泰一科技
	Afternoon 下午	Travel by coach to Dongguan 乘車前往東莞 Visit Dongjiang River Basin Water Quantity and Quality Monitoring and Control Centre 參觀東莞市塘廈鎮東深供水工程紀念園，包括金湖泵站、文化廣場、展覽館
	Evening 傍晚	Act Now! Design Thinking Workshop 工作坊：為可持續發展建議實踐方案
2025/12/23 Dongguan 東莞	Morning 上午	Visit Opium War Museum 參觀鴉片戰爭博物館 Visit Weiyuan Fort 參觀威遠砲台
	Afternoon 下午	Visit to The City University of Hong Kong (Dongguan) 參訪香港城市大學（東莞）
	Evening 傍晚	Cultural Performance & Farewell Dinner 文化表演及惜別晚會
2025/12/24 Dongguan 東莞	Morning 上午	Visit Dongguan Binhai Bay Hong Kong & Macau Youth Innovation and Entrepreneurship Base 參觀東莞濱海灣港澳青年創新創業基地
	Afternoon 下午	Return to Hong Kong by coach / dismiss in Dongguan 行程結束，乘坐旅遊巴返回香港，或於東莞解散。

“DRAGON 100” 2025 DELEGATES 「龍匯100」2025代表

AUSTRALIA

Chua Justin Zhi-Xun

LinkedIn: <https://www.linkedin.com/in/justinchuatanaassociates/>

Justin has a unique background as the only Chinese-speaking legal practitioner in Australia qualified across law, mediation, collaborative practice and parenting coordination. He is passionate about helping Chinese youth deepen their connection to Chinese heritage in Australia. Having lived in Hong Kong ten years ago, he hopes to reinvigorate his understanding of China by exploring the Greater Bay Area and building meaningful relationships with like-minded individuals. Justin is currently exploring opportunities and has completed additional training in estate planning, intergenerational conflict management and psychology modalities. He will also be travelling to China, Malaysia, Singapore and the USA for work in 2026.

CANADA

Lim Skye Gah-Ming

My name is Skye Lim, and I am completing my Master of Teaching at the University of Toronto, specializing in Geography and French education. As a future geography teacher, I am passionate about sustainability and helping students understand how global and local issues are interconnected. I am equally interested in Chinese culture and how its history, and everyday practices shape people's relationships with the land. The Dragon 100 program will allow me to explore these perspectives firsthand and bring back meaningful examples that help students see the connections between culture, place, and sustainable futures at both local and global scales.

CHINESE MAINLAND

Cai Xiaotong

I'm Cai Xiaotong from Shenzhen, Guangdong and currently majoring in Accounting (Industry-Education Integration Program) Class 2 at Guangzhou Huashang College. Just turned 18 this year. I'm really into singing and gaming. Planning to join the ACCA program soon. Super excited about this exchange opportunity - hoping to really understand why sustainable water resources matter through this experience.

Chen Qiying

Hello everyone, I'm Nicki from Guangzhou, currently studying at Guangzhou Huashang Vocational College. I'm good at drawing and have developed a strong interest in product design, which is why I'm majoring in Visual Communication Design. As the leader of a photography club, I love taking photos and enjoy capturing beautiful moments in life through this medium. In terms of personality, I consider myself easygoing and warm-hearted, so I'm really looking forward to making new friends. In the future, I will strive to improve myself in all aspects to help me go further in my personal and professional development.

“DRAGON 100” 2025 DELEGATES

「龍匯100」2025代表

CHINESE MAINLAND

Gao Hanyue

My name is Gao Hanyue, a student from Class 10, Accounting Major at Guangzhou Huashang College. In my spare time, I enjoy listening to music, watching TV dramas and reading. I'm a slow-to-warm-up type—perhaps a bit reserved when we first meet, but once we get acquainted, you'll find me easygoing, sincere, and a good listener, making it effortless to get along with me. I've always firmly believed that hard work will surely pay off. I'm extremely looking forward to this study tour in Hong Kong, hoping to acquire more practical skills, make more friends, and create unforgettable memories during the journey.

Gao Linglan

Facebook: <https://www.facebook.com/Keiskei1994/>

I am Gao Linglan, a graduate in Film and Television Production Management from the Sichuan Conservatory of Music. I currently serve as the Marketing Manager and Brand Principal of Sichuan Chongming Amusement Equipment Manufacturing Co., Ltd. I am also a certified instructor for Alibaba.com, dedicated to helping traditional manufacturing enterprises achieve brand upgrading and expand globally through smart manufacturing. I previously served as a convener for the entrepreneurial community Workface and was a core member of the creative team for the cultural initiative “Ordinary People’s Concert,” focusing on social innovation. I am an optimistic and proactive individual, always eager to explore new possibilities. I sincerely hope to connect and grow with outstanding young Chinese leaders from around the world through the Dragon 100 programme.

Ji Maoqi

Hello everyone! My name is Ji.MaoQi, and I'm a freshman from the Journalism major at Guangzhou Huashang Vocational College, Jiangmen Campus. I'm part of the school's Media Center, where I love taking photos and writing short articles for our campus newspaper. In my free time, I enjoy reading novels and hiking with friends. I'm really glad to meet you all and hope we can get along well!

Ke Ting Kwan Kenneth

LinkedIn: <https://www.linkedin.com/in/kenethegreat/>

I'm Kenneth Ke, a Hong Kong-born Filipino-Chinese professional working across Asia on cross-border strategy, education-industry collaboration, and sustainable development. I helped build a 4,000 m² on-campus training hub where university students gain extra-income and job-ready skills through short-video, live-streaming, and e-commerce, while companies discover talent more efficiently. I also lead renewable-energy initiatives, including a solar project in the Philippines that supports the clean-energy transition. Through Dragon 100, I hope to learn from fellow delegates, explore China-ASEAN collaboration, and share my passion for cultural exchange and building meaningful friendships across communities.

CHINESE MAINLAND

Kong Kun

LinkedIn: <https://www.linkedin.com/in/jasper-kong-330881103/>

I am a Chartered Accountant and PhD graduate specialising in sustainability assurance and digital audit innovation. Currently based at PwC Australia, I work across ESG reporting, Smart Delivery, and assurance, collaborating with teams across the APAC region. As a former 2017 Dragon 100 delegate and now a coordinator, I am deeply passionate about connecting global young Chinese leaders and advancing sustainable development. I look forward to supporting this year's programme in my hometown, fostering cross-cultural exchange, and creating an inspiring and impactful experience for all participants.

Liu Yitong

Hello everyone! I'm Liu Yitong from Guangzhou Huashang College, majoring in Accounting. It's such a pleasure to meet you all during this research program in Hong Kong. I'm a bit introverted, so I might seem quiet at first, but I open up once we get to know each other. I enjoy listening to music, traveling, and painting. I hope this program will broaden my horizons, enhance my knowledge, and help me set clearer goals for my future. Looking forward to becoming good friends with you all. Thank you!

Low Rionaldi

LinkedIn: www.linkedin.com/in/rionaldi-low-a1ab04315

“Learn from yesterday, live for today, hope for tomorrow.” This quote by Albert Einstein reflects my journey. My name is Rionaldi Low, and I grew up in Papua, Indonesia, where limited opportunities taught me resilience and ambition. This mindset helped me earn the KL-YES scholarship to the United States and a full-ride scholarship to The Chinese University of Hong Kong, Shenzhen, where I am studying Professional Accountancy. Through cultural events, business competitions, and sustainability projects, I have come to understand the value of cross-cultural understanding. Joining this study tour will broaden my global perspective and enable me to contribute meaningfully through my multicultural background.

Lu Wanyun

Hello everyone, I'm Lu Wanyun, the teacher leading this study tour group. I'm very glad to embark on this journey of exploration and learning together with all of you. I will be with you throughout the trip, not only as your guardian of safety but also as a fellow traveler on the path of knowledge. I hope that we can not only gain knowledge and broaden our horizons together, but also care for each other and create wonderful and fulfilling memories. In the coming days, please take care of each other. Let's learn happily and explore safely!

「龍匯100」2025代表

CHINESE MAINLAND

Su Fang

LinkedIn: <https://www.linkedin.com/in/fang-su-08089b36?trk=contact-info>

My name is Su Fang. I spent ten years practicing law in China and later shifted into education, communication, and analytical work. With a background in both legal reasoning and psychological insight, I focus on helping individuals and families understand themselves better, improve decision-making, and build healthier relationships.

I am currently exploring an entrepreneurial direction in family education and youth development, aiming to design more effective support systems for children and parents. I value clarity, empathy, and structured thinking, and hope to learn from diverse peers through this program while broadening my perspective as I shape my next stage of growth.

Tan Xitong

My name is Shelly, and I am an enthusiastic freshman currently studying at Guangzhou Huashang College. Originally, I come from Shenzhen, a vibrant city where I was born and raised, and where I completed all of my pre-university education. My personal interests are quite diverse; I really enjoy listening to various genres of music, expressing my thoughts through writing, and I have a strong passion for learning different languages, such as Korean and Spanish. I am always eager to embrace new experiences and challenges.

I am truly excited and have great expectations for this upcoming exchange program. I hope to deeply immerse myself in the unique cultural and humanistic environment of the Guangdong-Hong Kong-Macao Greater Bay Area. Furthermore, one of my key goals is to observe and understand firsthand the crucial role and positive impact of sustainable water management on modern society and our daily lives. I believe this will be an invaluable learning opportunity for me.

Wang Bingbing

Hello! I'm EVA, Thrilled to join this program, I aim to explore Guangdong-Hong Kong green development, gain insights, broaden horizons and forge friendships through cross-boundary interactions.

Wang Xuanyue

Hello, I'm an specialized students in Digital Media Technology at the School of Artificial Intelligence and Data. I am passionate about game development and creative media, with experience in writing, visual design, and content production. As a student leader, I have served in multiple positions, which has strengthened my sense of responsibility, teamwork, and communication skills. I enjoy exploring new ideas, learning independently, and taking on challenges. In the future, I hope to further develop my technical abilities and contribute to innovative digital projects.

CHINESE MAINLAND

Wu Bin

LinkedIn: <https://www.linkedin.com/in/bin-wu-47285286/>

Bin has nearly 10 years of experience in communications, philanthropy, and ESG. He has been involved in projects related to the United Nations, the Belt and Road Initiative, policy advocacy, CSR/ESG assessments, and philanthropic programs. He is particularly interested in social entrepreneurship and innovation.

Xu Kaixin

Hi, I'm Kazin from Guangzhou Huashang Vocational College. I study Digital Media Technology and love making games and creative content. As a student leader, I learned to be responsible and work well with others. I'm good at taking photos and making videos to tell stories. I enjoy learning new things and facing challenges. In the future, I want to keep improving my skills and help build cool digital projects.

HONG KONG, CHINA

Arisgraha Audrey

LinkedIn: <https://www.linkedin.com/in/audrey-arisgraha-8760a036a/>

My name is Audrey, a sophomore at the Hong Kong Polytechnic University majoring in Accounting & Finance. I am from Indonesia and am studying in Hong Kong with the support of the HKSAR Belt & Road Scholarship and a PolyU Entrance Scholarship. Beyond my major, my interests include education, public speaking, and community service. These passions have led me to experiences in the US, Malaysia, Singapore, Indonesia, and now Hong Kong. I hope this program provides hands-on problem-solving through field study in China, a platform to contribute my Southeast Asian and international perspectives, and valuable insights to apply within my community. I am excited for this holistic learning experience.

Au Tsz Ching Angie

LinkedIn: <https://www.linkedin.com/in/autszchingangie>

I'm Angie, a year 2 student majoring in social work. My education journey was not a smooth one. Although it took me a while, I've finally figured out my career path. My passion for engaging with people and lending a hand to those in need is evident, and it fuels my drive to become a social worker. English is my favourite language, and I would love to find a way to promote Chinese culture and heritage, which I am proud of, to foreigners. I expect to meet more like-minded people and see for myself the advancement of China.

I am Chan Chun Hin, founder of Edu-Future, Hong Kong's pioneering AI learning machine dedicated to providing every child with equal access to quality education. Driven by a strong belief in educational equity, I am passionate about leveraging technology to empower young learners. My interests lie in education, innovative tech, and discovering new possibilities. Through this programme, I look forward to meeting inspiring new friends, broadening my horizons, and exchanging ideas on advancing inclusive learning and technological innovation.

Chan Yuk Yu

LinkedIn: <https://www.linkedin.com/in/yukyu>

As a Counselling Psychologist, I'm deeply fascinated by the intricate connections between mental and physical well-being. Exploring innovative, holistic approaches to healthcare that empower individuals is my driving passion. I envision collaborating with like-minded peers to uncover the cultural nuances and sustainable practices that shape our collective wellness. The opportunity to learn from industry leaders and forge global connections truly energizes me. Are you ready to join me in shaping a brighter, healthier future?

Cheung Wai Ching Airy

LinkedIn: https://www.linkedin.com/in/airy-cheung-4240281b2?utm_source=share_via&utm_content=profile&utm_medium=member_ios

I'm a Hong Kong female, entrepreneur, and lifelong learner, driven by a passion for connecting people and creating positive change. I believe everyone has unique talents and potential, and I'm dedicated to helping them shine by fostering collaboration and building bridges between diverse groups.

My work is fueled by a desire to create meaningful social impact. I'm passionate about promoting positive psychology and a hopeful outlook on life, believing that we can all contribute to a more just and compassionate world.

I'm constantly seeking ways to make my life more meaningful. I believe that "Whoever has more can shine, as long as they find the right place," and I'm committed to helping others discover their own potential and shine brightly.

"Let's be airy with Airy."

Chow Ka Yin Kevin

LinkedIn: https://www.linkedin.com/in/kevin-chow-1a2436123?utm_source=share&utm_campaign=share_via&utm_content=profile&utm_medium=ios_app

My name is Kevin Chow. I graduated from The Chinese University of Hong Kong a few years ago and am currently working in the financial sector. I am outgoing, approachable, and genuinely enjoy meeting people from diverse backgrounds. I love building connections, sharing ideas, and learning from others' experiences. Through this Programme, I hope to make new friends, broaden my horizons within the Chinese and global communities, and contribute a unique Hong Kong perspective to meaningful discussions about our shared future.

HONG KONG, CHINA

Choy Shing Hei

LinkedIn: <https://www.linkedin.com/in/harry-choy-8618b2391/>

My name is Choy Shing Hei, Harry. I was born in Hong Kong but completed my upper secondary education in Canada. I graduated from the University of Toronto with a Bachelor of Arts degree, double majoring in environmental management and sociology. I love reading, music, gaming and badminton. My keen interest in sustainability studies and being able to make physical visit to the hydro operations in Mainland China with people from different backgrounds will certainly bring more inspirations, shared values and global vision, helping me pursuing my Master degree in ESG and Sustainability at the Hong Kong Polytechnic University.

Chu Lik Ching

My name is Chu Lik Ching (Nick). I am currently pursuing a Social Work, with a focused interest in China's distinctive social development trajectory. Through the programme's structured fieldwork, including an immersive study visit to a major reservoir resettlement community in mainland China, I have gained first-hand insight into large-scale poverty alleviation, ecological migration, and community reconstruction policies. This experience has deepened my understanding of the interdependent relationship between Hong Kong and the mainland, broadened my socio-political perspective, and strengthened my sense of national belonging. These evidence-based learnings motivate me to translate critical knowledge into culturally informed practice, enabling more effective service delivery and community contribution in my future social work career.

Chui Shun Yau

I am Chui Shun Yau, a Year 3 student at The Chinese University of Hong Kong, majoring in Statistics and Data Science and minoring in Music. Music has always been a central part of my life. I hold diplomas and Grade 8 qualifications in percussion, saxophone, and clarinet, and have performance at some public venues such as Hong Kong City Hall. These experiences have taught me discipline, creativity, and the joy of cultural exchange. I am eager to join this programme to broaden my horizons, share my passion for music, and learn from diverse perspectives while contributing positively to the group.

Fu Yingqi

LinkedIn: <https://www.linkedin.com/in/yingqi-fu-b64064294/>

Hello, I'm Yingqi, currently a junior biomedical engineering student at the Chinese university of Hong Kong. My academic interest is in the field of Neuroengineering, specifically motor & speech decoding and the building of corresponding brain-computer interfaces. Aside from academics, I'm a big fan of outdoor activities. I love to jog or bike alone, and to hike with old or new friends. Looking ahead to the event, my biggest wish is to make new friends! And to enjoy our time together.

Ho Man Kit

LinkedIn: www.linkedin.com/in/h2ocarlos

A proven record of delivering complex projects and solving difficult problems has shaped my professional path. With over a decade of experience leading work in fast-moving industrial environments, I excel at simplifying complexity, creating clarity, and driving outcomes with purpose. Joining this programme is an opportunity to challenge myself, expand my perspective, and strengthen my leadership alongside professionals from diverse industries. I look forward to meaningful discussions, fresh insight, and continued growth within a community that values collaboration and continuous development.

Igwegbe Miracle Ihemnyorochi

LinkedIn: <https://www.linkedin.com/in/%E5%A6%99%E7%A5%88-%E6%98%93-404731253?trk=contact-info>

Miracle is my name. I am from Hong Kong and Nigeria, yet have never been to Nigeria. I was born and raised in Hong Kong for my whole life. I am fluent in Chinese, and have pushed myself hard to improve my English language, since it is critical. I am fond of reading, drawing and exercising. By reading, I can have a place to go when I have to stay. By doing arts, it calms my mind. Moreover, by exercising, it drags me to a world where there is nothing to worry about.

Kong Isabella

LinkedIn: <https://hk.linkedin.com/in/isabellakong>

My work blends ESG, sustainable finance and corporate capital structure in an international bank. I'm currently based in Hong Kong and hold a degree in Geography from the University of Cambridge, which fuels my professional passion for resource systems. Having lived and worked in both Hong Kong and Shanghai, I'm thrilled to join Dragon 100 to examine the Dongjiang water project firsthand. I am eager to learn from this network of leaders and contribute to meaningful discussions on sustainable development and cultural exchange.

Kwok Ka Ming

LinkedIn: <https://www.linkedin.com/in/mike-kwok-hkust/>

I am a practising solicitor in Hong Kong, specialising in corporate and commercial transactions. My experience spans a wide range of matters, including general commercial contracts, Hong Kong IPOs, and mergers and acquisitions. I have acted on several landmark transactions, including those recognized as award-winning deals by China Business Law Journal and IFLR. I am also a part-time lecturer at the Faculty of Law, HKU. I hold an MBA from HKUST, and a dual-degree in Business and Law from HKU.

Apart from work, I like playing football and watching football. I look forward to meeting and learning from other young leaders at Dragon 100.

HONG KONG, CHINA

Lam Ka Yuen Jason

LinkedIn: [linkedin.com/in/jason-lam-a20093202](https://www.linkedin.com/in/jason-lam-a20093202)

I am LAM Ka Yuen Jason, and you can just call me Jason. I graduated from the University of Hong Kong with a major in sociology. During my university study, I have strong commitment to equal opportunity and sustainability, that is the reason why I joined as equal opportunity ambassador and facilitate the public education through campaign coordination and content creation to create a barrier-free campus. After graduation, I hope to take up more challenges and I am interested in the sustainable business operation, so I began my career at UNIQLO as a management candidate. During my time there, I spent 6 months understanding the store operation and then was appointed to an assistant store manager with the responsibility to manage the store, including personnel arrangement, sales plans and the sale floor layout plan to achieve our half-year sales targets.

Lam Kwok Tong

LinkedIn: www.linkedin.com/in/nelson-lam-55102a39

Hello everyone, I'm Nelson Lam, a delegate from the Dragon 100 2012 program. For over two decades, my world has revolved around sports—as an educator, teaching sports coaching pedagogy, event management, and sports science, and as a coach for professional soccer and university handball teams. I've recently embraced an exciting new chapter by joining the Education Bureau, where I'm dedicated to leveraging my experience to foster sports culture and enhance physical education here in Hong Kong. Beyond the field and classroom, I serve as the Honorary President of the DragoNation. I have a deep passion for connecting with people from diverse backgrounds, countries, and professions. I truly believe in the power of sharing our stories and knowledge, and I very much look forward to connecting with all of you.

Lam Tsz Kwan

LinkedIn: <https://www.linkedin.com/in/dorislamtk>

A professional with over a decade in finance and real estate, my career started in Hong Kong banking before I transitioned to lead my family's industrial property business in the Greater Bay Area. I am actively exploring new startup opportunities and e-commerce ventures. A UCL graduate, I have also represented the Hong Kong Federation of Women at the United Nations. Outside of work, I enjoy sailing, tennis, and snowboarding. I look forward to Dragon 100 to connect with visionary peers, exchange insights on China's development, and explore potential collaborations.

Lee Ka Lun

LinkedIn: <https://www.linkedin.com/in/cliveklee>

I love k-pop culture as well as being a beginner of crocheting and k-pop dance! My experiences, from coordinating events to engaging in volunteer work, have honed my communication and team management skills. I am eager to meet new friends and professionals of various majors so as to connect with like-minded pers and further develop my potential.

Li Man Ming

LinkedIn: <https://www.linkedin.com/in/benjamin-l-270341b1/>

Hello, I'm Benjamin Li. I work as a solicitor, navigating the world of law by day. Outside the office, you'll find me at the gym, catching the latest films, or appreciating the intricate mechanics of fine watches. I'm excited to join this programme to meet new people, expand my professional network, and deepen my understanding of Chinese culture. Looking forward to connecting with everyone.

Li Wai Shuen Gina

LinkedIn: <https://www.linkedin.com/in/gina-li-7aa2bb1b>

Gina Li is a dedicated certified water sommelier by Doemens Academy Germany, expertise in curating water experiences and education. Founder of Hong Kong Milk Tea Brand Sifu Good Tea. Recent focus has shifted to sensory exploration and education. Her work encompasses water tasting, cultural sharing, tea crafting, and brand building within the local Hong Kong beverage industry, emphasizing the appreciation of water as a vital element in gastronomy.

Li Yuen Fei

LinkedIn: <https://www.linkedin.com/in/fayyf/>

I co-founded Nectere Partners to help places better serve people by connecting brilliant minds to nurture flourishing communities. Shaped by my journey of finding belonging in cities, I am on a mission to cultivate resilience and vibrancy through creative placemaking and community engagement projects that celebrate local culture and heritage. Previously, I partnered with public and private real estate entities to build organizational capabilities. My experience in the people business has given me insight into human behaviour, intergenerational dynamics, and systems understanding that connect people to communities, neighbourhoods and cities. Joining Dragon100 offers opportunities to discover sustainable impact strategies, mainland innovation, and GBA development that will directly inform how we engage Hong Kong communities and preserve our Chinese heritage.

HONG KONG, CHINA

Lou Tsui Yan

I am Grace and now working in the field of administration. In my leisure time, I find joy and solace in Kyudo which helps me to focus on discipline, spirituality, and self-improvement through archery. I am enthusiastic about cultural exchange and have participated in various cultural programs in places such as Kazakhstan, Nepal, Qinghai, Yunnan, and etc, broadening my understanding of diverse cultures.

Luo Qiong

LinkedIn: <http://www.linkedin.com/in/ivy-luo-975b06301>

I'm Qiong Luo, a PhD candidate in Chemistry at State Key Laboratory of Marine Environmental Health, City University of Hong Kong, specializing in mass spectrometry for complex biological and environmental matrices. I develop end to end workflows to trace pharmaceuticals and contaminants in water and biota, and helped standardize methods for the UN endorsed Global Estuaries Monitoring Programme. My interests include sustainable water management, exposure assessment, and translational analytics. At Dragon 100, I hope to connect science with policy and culture around the Dongjiang Water story, collaborate with fellow young leaders, and contribute mass spectrometry insights to practical, community focused sustainability solutions.

Nazareno Edric Paolo

https://www.linkedin.com/in/edricnazareno/

My name is Edric Nazareno, and I am 19 years old. I am a Filipino born and raised in Hong Kong. I am currently a second-year aeronautical and aviation student at the Hong Kong Polytechnic University (PolyU). Aside from my role as a student at the University, I serve as the External Vice President of the Filipino Student Association at PolyU and as a member of the American Institute of Aeronautics and Astronautics Design-Build-Fly competitive team at PolyU, called "AEOLUS." Beyond the University, I serve as a community and cultural ambassador at the Diversity Hub, a youth-training center and museum for ethnic minorities under an NGO called "Christian Action." I am passionate about bringing people together, whether through STEAM or social impact, for the benefit of this city I call home. Through my unique experience as a Filipino raised in Hong Kong, as a STEAM student, and as a servant to both international and local communities, I can bring perspectives that are invaluable to this exciting opportunity to explore sustainable development in Hong Kong.

Pan ChongJun

LinkedIn: <http://linkedin.com/in/jessica-pan-cesga@a41b2aa1>

Jessica has an interdisciplinary background in information systems and environmental management. Passionate about sustainability and nature, she devotes her time to volunteering in forest restoration projects in Mui Wo and conducting nature surveys at Yi O, Lantau Island. She was a member of the Oyster Lab at HKU, exploring oyster-related nature-based solutions. With academic knowledge in freshwater management, she is keen to understand how water systems operate across regions. Through this programme, she hopes to connect with like-minded Chinese youth and advocate for sustainability in innovative, youth-driven ways.

LinkedIn: <https://www.linkedin.com/in/peta-ho-75394492>

My name is Peta. Born in Macau and raised in Canada, I've navigated between two cultures before choosing to return to my roots. With a background spanning business and education, I've been fortunate to merge these passions throughout my career.

I'm an avid learner and passionate educator who works with people across all ages and backgrounds. Currently pursuing a Doctor of Business Administration, I believe in lifelong learning. In my free time, you'll find me learning or playing basketball. Through Dragon 100, I'm eager to learn about sustainability and China's development while building lifelong connections with other young Chinese leaders.

Ng Tin San

LinkedIn: https://www.linkedin.com/in/sango-ng-a7251410a?utm_source=share&utm_campaign=share_via&utm_content=profile&utm_medium=ios_app

I am currently a cohort of the Cornell Chief AI Officer Program, focusing on AI strategy and digital transformation. I am a Facilities and Asset Management Manager at The Londoner Macao, overseeing engineering operations, asset planning, and operational reliability across a major integrated resort. With over a decade of experience in large-scale hospitality and construction projects, I am passionate about improving efficiency and modernizing traditional operations. Through Dragon 100, I hope to broaden my global perspective, connect with outstanding young Chinese leaders, and explore opportunities to apply innovation and technology to create sustainable impact across the Greater Bay Area and beyond.

MALAYSIA

Chan Wee Chia

LinkedIn: https://www.linkedin.com/in/chan-woo-chia-215576a3?utm_source=share_via&utm_content=profile&utm_medium=member_android

I dedicate my professional life to innovation in sustainable technology as a Lead Engineer. My involvement with environmental NGOs ensures that this innovation transitions successfully from the lab to practical community implementation. I look forward to this journey to exchange practical solutions and delve into the critical sustainability challenges of the region. My aim is to build cross-sector partnerships with outstanding young leaders and establish foundational relationships for future cooperative projects.

Cheng Yin Chuan

LinkedIn: <https://www.linkedin.com/in/yin-chuan-cheng-6789a2333/>

I am Cheng Yin Chuan from Malaysia, a senior auditor in BDO PLT, Penang. I'm pleased to be a delegate of the Dragon 100 2025. The “Dragon 100” 2025 programme is an inspiring initiative that promotes leadership, innovation, and entrepreneurship among young leaders. I am particularly interested in it because of its emphasis on social impact and sustainable development. With my background in audit and assurance, and my growing interest in the semiconductor industry, I recognize the crucial role that water plays as a key resource in this field. I hope to gain deeper insights into water sustainability practices and learn more about the latest IFRS standards, particularly IFRS S1 and S2, which focus on sustainability and climate-related financial disclosures.

“DRAGON 100” 2025 DELEGATES

「龍匯100」2025代表

MALAYSIA

Chew Zee Rong

I'm a student who enjoys learning from new environments and meaningful conversations. I've been involved in community projects since secondary school, which taught me how much I value collaboration and creating positive impact, even in small ways. What draws me to the Dragon 100 Programme is the chance to meet people with different experiences and understand how they approach challenges. I hope this experience can broaden my perspective, help me grow as a young leader, and inspire me to think more boldly about my future contributions to society.

Chew Zee Wei

LinkedIn: <https://www.linkedin.com/in/zeeweichew001/>

As a Malaysian Chinese, I thrive at the intersection of cultures, ideas, and communities. Having lived and worked across Malaysia, Europe and the United States, I have learned to see challenges through multiple lenses and connect people who may not naturally cross paths. Professionally, I work in business consulting with a focus on market entry, expansion and cross-border strategy. Beyond consulting, I volunteer in education and environmental programmes, such as mentoring university students on career readiness.

I hope to build meaningful relationships, empowering others, exchange practical insights, co-create solutions, and contribute to sustainability and innovation alongside fellow global Chinese young leaders.

Hang Zhong Yu

LinkedIn: <https://www.linkedin.com/in/hang-zhong-yu/>

I'm Hang Zhong Yu from Malaysia, a sustainability professional passionate about clean energy, youth development, and building a low-carbon future for our region. My path has taken me from environmental governance in the ministry to hands-on renewable energy and climate projects on the ground. Outside of work, I'm an avid hiker and backpacker who loves exploring new cultures and the outdoors. I'm excited to join Dragon 100 to connect with global Chinese leaders, exchange ideas on sustainability and innovation, and build long-lasting cross-border friendships.

Lee Jia Shien

LinkedIn: <https://www.linkedin.com/in/jiashienlee/>

My name is Lee Jia Shien (Jess), and I work in the management services industry, where I support SMEs in streamlining operations and creating sustainable value. Having participated in Dragon 100 in 2024, I look forward to expanding my global perspective and building deeper cross-cultural connections through the 2025 programme. I am particularly interested in sustainability and how young leaders can drive long-term positive impact in their communities. I hope to exchange ideas with peers from diverse backgrounds and contribute meaningfully to collaborative initiatives.

MALAYSIA

Lee Jun Jeak

LinkedIn: <https://www.linkedin.com/in/jun-jeak-lee-521134aa/>

My name is Lee Jun Jeak, and I am currently an Audit Manager at RSM Singapore LLP with eight years of experience in the audit and finance industry. I am a Chartered Accountant in both Malaysia and Singapore. I am particularly drawn to this programme because of its strong focus on social impact and sustainable development. I hope to further deepen my understanding of water sustainability practices and stay current with the latest IFRS developments—especially IFRS S1 and S2, which address sustainability and climate-related financial disclosures.

Tan Suk Shyen

LinkedIn: <https://www.linkedin.com/in/ivytaans/>

With over 20 years of experience working with corporate leaders and professionals, I am the Founder of CareerMaster, specialising in executive search, behavioural profiling, training, and career & stress management coaching. My passion lies in empowering individuals and organisations to thrive through the integration of psychology, talent strategy, and people development. I look forward to Dragon100 2025 as an opportunity to gain global perspectives, exchange ideas with inspiring leaders, expand cross-border collaborations, and contribute meaningful insights while continuing to grow personally and professionally alongside a dynamic international community.

Tan Tien Eu

LinkedIn: <https://www.linkedin.com/in/tien-eu-tan-709501a6/>

I am a Malaysian Deputy Managing Director in an international agri-commodities trading company, with a background in live stage performance, Distinguished Toastmasters, and active NGO leadership. I am a JCI Senator and Malaysia Book of Records holder as part of the first Malaysian team and the first Asia-Pacific champion to win the JCI World Championship English Debate. This year, I coached Malaysia's second-ever winning team to the World Championship title in Tunisia. I'm passionate about leadership development, public speaking, and cross-cultural collaboration. Through this Programme, I hope to contribute my experience, build regional connections, and learn from participants dedicated to community impact and international understanding.

SINGAPORE

Chen Hong Wen

LinkedIn: <https://www.linkedin.com/in/chen-hong-wen/>

I am Hong Wen, a Year 3 Law student from Singapore. I love exploring new experiences, from volunteering, organising community events, to dragon-boating and dancing. Cho Chun Yew Elton

LinkedIn: <https://www.linkedin.com/in/elton-cho-chun-yew-3690bb185/>

Hi, I'm Elton, a 24-year-old Singaporean-Chinese student at SMU, majoring in Politics, Law, and Economics. I'm passionate about history and love travelling, as it gives me the chance to learn from different cultures and meet new people. Through this Programme, I'm excited to meet others who are interested in China and global affairs, and who are also focused on shaping the future. I'm looking forward to making new friends and having great conversations along the way!

Chua Yi Fei

LinkedIn: <https://www.linkedin.com/in/chuayifei/>

Chua Yi Fei is an undergraduate at NUS Business School and an incoming double-degree student at Peking University Guanghua School of Management, with a strong interest in Singapore-China relations. Drawing on her experience in student leadership and large-scale youth initiatives, she is excited to engage with fellow delegates to explore regional development, sustainability, and cultural exchange. As a delegate from Singapore, she looks forward to sharing her perspectives, learning from diverse viewpoints, and fostering meaningful connections within the Dragon 100 community.

Han Yu Ling Felicia

LinkedIn: <https://linkedin.com/in/felicia-hyl>

My background was in nursing, but I transitioned to business because I want to explore different industries beyond healthcare. The Dragon 100 Program interests me because it offers exposure to large scale operations and cross-border collaborations. I am excited to learn more about sustainability through real site visits in countries outside of home. I would love to gain new perspectives, explore the region's history and culture, and apply these insights to my future work in business.

Loh Jie Yao

LinkedIn: <https://linkedin.com/in/richieloh>

A seasoned ASEAN-GCR super-connector, Richie currently leads the transactions and advisory business for Starry capital. He is passionate about social capital-empowerment, uplifting underprivileged youths and enriching cross-border collaboration initiatives.

SINGAPORE

Teng Yu Da Xavier

LinkedIn: <https://www.linkedin.com/in/xavier-teng-83670512b>

I am Xavier Teng from Singapore, currently studying accountancy at Singapore Management University. I enjoy learning new things, especially musical instruments, and have developed through both performing and taking on leadership roles in my clubs. I also enjoy exploring culture and history through cultural exchanges and visits to historical sites, which deepen my appreciation for different traditions and perspectives. Through Dragon 100, I look forward to broadening my understanding of sustainability and learning from global peers and experts, gaining insights that I can apply to my academic journey and personal growth.

UNITED KINGDOM

Huang Lingbing

LinkedIn: <https://www.linkedin.com/in/alicehuangmiller>

Alice Huang Miller is a dedicated working professional venturing into healthcare studies, driven by a passion for tackling health inequalities.

With years of experience in media agencies(WPP) and professional services(PwC), I leveraged my platforms to champion various meaningful initiatives close to my heart, including diversifying stem cell registry, neurodiversity empowerment and addressing gender health gap at work. This passion inspired me to pursue a degree in Healthcare and Design at Imperial College London, marking a new chapter in my career as a student. I now focus on creating platforms that amplify the voices of invisible women, ensuring their stories and challenges are heard and addressed. As the organizer for the 2025 TEDx Square Mile Women event, I carefully selected the theme to be around women's health. I drove the collaboration between Wellbeing of Women and my company's Gender Balance Network to curate an impactful event, which is one of a top-recommended event for this International Women's Day.

Xiao Yuran

LinkedIn: <https://www.linkedin.com/in/yuran-xiao-571811207/>

My name is Yuran Xiao, an Economics student at Warwick University with a passion for innovation, sustainable urban development and creating positive community impact. At Warwick, I have led society executive teams to deliver large-scale events and new initiatives, strengthening community engagement and building my leadership and communication skills. My internships at Investec and Macquarie deepened my interest in sustainable finance, while my year abroad at Waseda University developed my adaptability and cross-cultural understanding. I am eager to reconnect with my cultural roots, learn from China's sustainable development leadership, and collaborate with ambitious peers from around the world.

UNITED KINGDOM

Zhou Chenyao

LinkedIn: <https://www.linkedin.com/in/esther-chenyao-zhou/>

Hi, I'm Esther Zhou. I am a third-year undergraduate in Economics at the University of Warwick. As part of my year abroad, I'm currently studying at Tsinghua University. My professional interests lie in sustainable funds and infrastructure investment. I'm eager to deepen my understanding of China's innovative approaches to sustainable water management. As a British-born Chinese, I hope that this experience will not only foster a stronger sense of belonging but also enrich my perspective on global challenges. Beyond academics, I enjoy playing football, practicing the violin, and experimenting with baking.

UNITED STATES

Cheung Tina Carmen

LinkedIn: <https://www.linkedin.com/in/tinaccheung>

Tina Cheung is a first-generation professional from the San Francisco Bay Area with experience in talent, inclusion, and community impact. She most recently served as a Global Program Manager at Visa, leading the referral program and data-driven recruiting initiatives, and previously supported global BRGs at Twitter and DEI strategy at AnitaB.org. Tina serves on the Boards of Wah Mei School and the University of San Francisco Asian Alumni Network and is pursuing a graduate degree in Social Impact at the University of Pennsylvania. She is a D-100 alumna and former volunteer Group Coordinator (2018, 2019, 2024). Outside work, she enjoys travel, coffee, and her two rescue dogs, Thor and Lady Sugar.

Hau Yu Hin

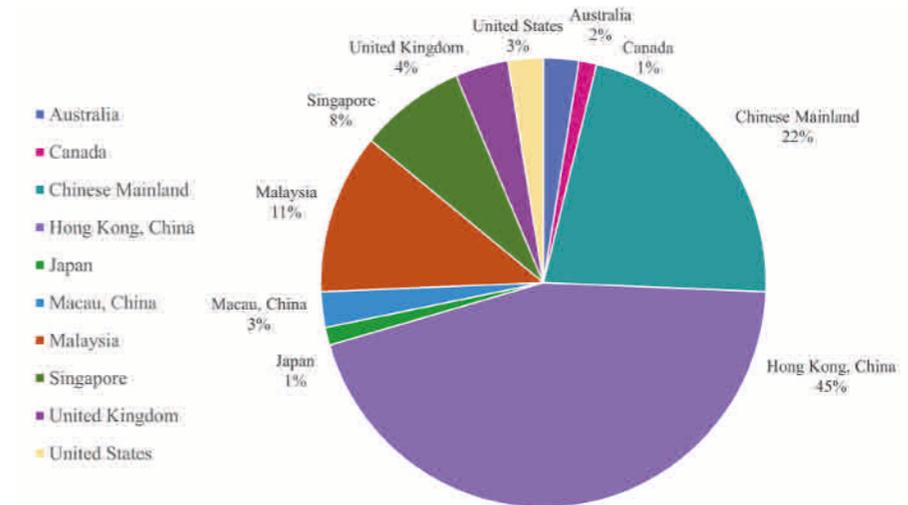

LinkedIn: <https://www.linkedin.com/in/yuhinhau/>

Beneath the iconic flight path of old Kai Tak Airport, my childhood dreams first took flight and carried me all the way to NASA. There, I helped develop AI for the Lunar Gateway space station and designed robots for deep space mining. In time, I realized my true mission wasn't just about reaching new frontiers, it was about sharing them. I co-founded the NASA Young Innovators programs to ignite passion for engineering and aerospace in underserved youth, inspiring them to pursue careers in STEM. Now teaching back in Hong Kong, I transform advanced research into inspiration for future generations. I joined this programme to collaborate with those who believe the greatest breakthrough lies not in the technology we build, but in the curiosity we ignite, passing forward the very wonder that first taught me to look up.

RUNWAY 1331 啟航 1331

Runway 1331 is a brand-new youth cultural and creative project located at the former Kai Tak Airport runway area. It is transformed from the original Kai Tak community isolation facilities into a revitalized base that integrates a youth hostel, cultural and artistic exchange, and sports activities. It provides residents with a unique ecosystem of culture and creativity, fostering cultural exchange, entrepreneurship, and talent development for local, mainland Chinese, and international young people.

「啟航 1331」是一個位於前啟德機場跑道區的全新青年文創項目，由原啟德社區隔離設施改建，活化為集青年旅舍、文化藝術與體育交流於一體的基地，為住客提供一個獨特的文化及創意生態系統，讓本地、中國內地及國際年青人進行文化交流、創業及人才發展。

TAI PO WATER TREATMENT WORKS 香港水務署大埔濾水廠

Tai Po Water Treatment Works (TPWTW) was commissioned with a capacity of 250,000 cubic metres per day in 2003. Currently, Stream II of TPWTW has been completed and the total capacity has reached 800,000 cubic metres per day. The treatment works employ advanced water treatment technology to treat the raw water from Dongjiang, providing quality drinking water to Tai Po, Central and West Kowloon and the Central and Western districts of the Hong Kong Island.

大埔濾水廠於2003年投入服務，當時每日食水產量為25萬立方米。現時第二期擴展工程已竣工，產量達80萬立方米。大埔濾水廠採用了先進科技及創新的設計，處理來自東江的原水，為大埔、九龍中、九龍西及香港島中西區提供優質食水。

WATSON WATER 屈臣氏蒸餾水

Watsons Water is one of the largest manufacturers of pure distilled water in the world with production plants located in Hong Kong and our products are consumed across the Asia-Pacific region etc. Established in 1903, Watsons Water started to produce pure distilled water in Hong Kong. Over the years, our purpose of “We Care” has driven us to continuously innovate and improve our products, ensuring that we provide our valued customers with the healthiest and purest drinking water through our O+O platforms. As one of the largest manufacturers of pure distilled water globally, Watsons Water operates production plants in Hong Kong and Mainland China, providing pure distilled water to customers across 5 markets in Asia.

屈臣氏蒸餾水於1903年在香港成立，致力為顧客生產純淨的蒸餾水。一直以來，屈臣氏蒸餾水都秉持 We Care 的社會願景，不斷創新，提升產品質素，並透過 O+O 平台為顧客提供百分百純淨及健康之蒸餾水。屈臣氏蒸餾水是全球最具規模之蒸餾水製造商之一，於香港及中國內地設有生產廠房，為五個亞洲市場的顧客提供純淨的蒸餾水。

SWIRE COCA-COLA HK (SCCHK) 香港太古可口可樂

Swire Coca-Cola HK (SCCHK) has proudly served the Hong Kong community as the authorized bottler and distributor of The Coca-Cola Company since 1965, making us the leading non-alcoholic beverage manufacturer locally. In 1991, we established the world's tallest bottling plant in Shatin, which rises 147 meters high and encompasses over 70,000 square meters of floor space across 18 floors. We are dedicated to refreshing the people of Hong Kong with a diverse selection of beverage choices, offering approximately 20 brands and over 80 products to a population of 7.5 million.

香港太古可口可樂自1965年開始成為可口可樂公司在香港認可的裝瓶商及特約分銷商，亦是本港最大規模之非酒精飲品製造商。在1991年，設立廠房於沙田小瀝源，廠房高達147米，佔地超過70,000平方米，樓高18層，為世界最高的裝瓶廠。我們致力於為香港市民提供多元化的飲品選擇，擁有約20個品牌和超過80種產品，服務750萬人口。

HUIZHOU 惠州市

惠州位於廣東東南部，素有「粵東門戶」之稱，是大灣區內地城市中面積第二大的城市，擁有豐富的土地資源和良好的生活環境。

惠州加快推進以「兩港三網」為重點的交通基礎設施建設，海港、空港、高鐵、高速公路齊備，已初步形成海陸空現代化立體交通網絡，綜合交通網絡佈局基本成型。2013年慶深高鐵全線貫通，惠州設置了惠州南站、惠東站兩個站點。

惠州產業特色鮮明，以電子信息、石油化工為支柱，汽車與裝備製造、清潔能源等產業共同發展現代產業體系。大亞灣石化區形成2200萬噸/年煉油、220萬噸/年乙烯的規模，煉化一體化規模躍居全國第一，連續五年入選中國化工園區20強。仲愷高新區是中國首批國家級電子信息產業基地，形成了較完整的移動通信、平板顯示、汽車電子、LED和新能源電池五條產業鏈。惠州亦是國家女鞋生產基地和男裝名城，以及廣東省重要的清潔能源生產基地。

惠州資源豐富，特產繁多。地下蘊藏鐵、煤、鎢、鈦等礦產資源30多種。盛產稻穀、甘蔗、花生、荔枝等。水產品種類達840種之多，沿海出產優質食鹽。惠州梅菜、東江糯米酒、楊村橙柑桔、惠陽三黃雞、羅浮山百草油、小桂尤魚、三門鮑魚、澳頭「南海珍珠」、龍門西溪筍等土地產馳名港澳與東南亞。

BIEL CRYSTAL (HUIZHOU) 伯恩光學（惠州）有限公司

伯恩光學創立於1989年，是全球領先的智能設備外觀結構及模組方案提供商。產品廣泛應用於智能數碼設備、智能穿戴設備、AR/VR眼鏡及汽車行業，業務佈局涵蓋手機玻璃蓋板、手機金屬外殼、觸摸及指紋感應模組、攝像頭光學玻璃、藍寶石手錶面板、陶瓷配件等領域，並在上述領域長期享有領導地位。

伯恩光學秉承「科技創新、綠色環保、合作共贏」的理念，堅持以需求為導向、創新為抓手、科技時尚為座標，不斷探索智能美學的邊界。通過提供高質量的產品，贏得多家世界級智能手機龍頭企業和知名手錶企業的信任。

伯恩光學注重技術研發和創新，著力引進國內外高科技設備用於生產和研發，成立產品技術研發中心和4個重點實驗室，投入研發費用超過10億元，在光學玻璃藍寶石玻璃加工、觸控螢幕研發、指紋模組組裝等諸多領域獲得了發明、實用新型、設計專利共481項。被認定為「國家級高新技術企業」，先後榮獲「全球觸摸屏行業最具影響力企業」、「廣東省最具競爭力企業」、「廣東省優秀企業」、「廣東省最具社會責任感企業」，「惠州市現代產業100強重點培育項目」、「中國觸控協會」副會長單位、「惠州市高新技術產業協會」會長單位、連續四年入列「廣東省百強企業」、「廣東省製造業百強」排名19位。

HUIYANG ENVIRONMENTAL PARK 惠陽環境園

惠陽環境園是綠色動力環保集團股份有限公司採用BOT、BT以及PPP投融資模式投資、建設和運營的項目，是環大亞灣區域城鄉固體廢棄物無害化處理、資源化綜合利用的迴圈經濟產業園。該環境園創造性地將「嶺南客家圍屋」的建築形態和建築元素融入到垃圾處理設施的設計中，整個園區成為集棄物處理、技術科研、宣傳教育於一體的迴圈經濟產業園及環保、科普教育基地，先後獲得電力優質工程獎、國家優質工程獎等多項榮譽，並被認定為AAA級旅遊景區、AAA級無害化焚燒廠和省市級環保教育基地，成為行業的翹楚和風向標。

該環境園位於廣東省惠州市惠陽區沙田鎮，目前已建成生活垃圾焚燒廠2座、「三合一」（餐廚、污泥、糞便）綜合處理廠1座、垃圾應急填埋場、飛灰填埋場、爐渣資源化利用中心、沼氣發電站各1座。一期垃圾焚燒發電項目處理規模1200噸/日，配備3臺400噸/日的機械爐排爐和2臺15+9MW的汽輪發電機組。二期垃圾焚燒發電項目處理規模為3400噸/日，配置4臺850噸/日焚燒爐+2臺40+45MW的汽輪發電機組，配套建設垃圾接收、貯存及輸送、煙氣淨化、灰渣收集處理、鍋爐給水、引風排風、滲濾液處理等系統及輔助工程。「三合一」（餐廚、污泥、糞便）項目一階段處理規模為600噸/日，包括污泥300噸/日、餐廚垃圾200噸/日、糞便100噸/日，配套餐廚垃圾收運系統。生活垃圾填埋場總庫容124萬立方米，被省住建廳評定為I級生活垃圾無害化處理填埋場。飛灰填埋場總庫容約30萬立方米，用於垃圾焚燒爐處理後的飛灰填埋。

GENERAL YE TING MEMORIAL PARK 葉挺將軍紀念園

葉挺將軍紀念園位於惠州市惠陽區秋長街道周田村。

葉挺（1896—1946），廣東省惠陽縣人。1918年，畢業於保定陸軍軍官學校，1919年，參加孫中山領導的粵軍。1924年秋，被派赴蘇聯學習，同年加入中國共產黨。1925年，參與組建以共產黨員、共青團員為骨幹的第四軍獨立團，任團長。1926年，參加北伐戰爭，率部勇往直前，屢建戰功，被譽為「北伐名將」，為第四軍贏得「鐵軍」稱號。南昌起義時，擔任前敵總指揮兼第十一軍軍長。廣州起義時，擔任起義軍總司令。抗日戰爭爆發後，出任新四軍軍長。

1941年1月，國民黨頑固派製造皖南事變，葉挺指揮部隊奮起突圍，浴血奮戰八晝夜。在與國民黨軍交涉時被扣押。面對蔣介石的威逼利誘，他堅貞不屈。抗戰勝利以後，經中共中央營救，於1946年3月4日獲釋。獲釋第二天即致電中共中央，要求重新加入中國共產黨。中共中央於7日覆電，決定接受他入黨。4月8日，葉挺由重慶赴延安途中因飛機失事遇難。

葉挺將軍紀念園由葉挺故居、騰雲學堂、練武房、育英樓等歷史建築和葉挺紀念館、葉挺銅像廣場等組成，以展現葉挺將軍生平成長背景以及客家文化特色為主線，是一個集弘揚葉挺的革命精神、展示客家傳統文化和發展生態旅遊於一體的重要基地。該紀念園目前保存狀況好，為全國重點文物保護單位、全國愛國主義教育示範基地、廣東省中共黨史教育基地。

HUIZHOU WEST LAKE 惠州西湖

惠州西湖位於惠州市惠城區，與東江相通，水域面積1.51平方千米，自形成至今已有1600多年歷史。北宋時，惠州知州陳 開始治湖，時稱「豐湖」；蘇東坡被貶惠州後，在《贈雲秀》一詩中首次將「豐湖」稱作「西湖」，惠州西湖從此揚名。經歷代修築築堤，惠州西湖逐漸形成豐湖、平湖、南湖、鑑湖、菱湖五湖格局，有「五湖六橋八景」之說。從宋代到民國，400多位文人墨客曾在惠州西湖遊賞、寓居，寫下豐富的詩詞文章；鄧仲元、孫中山、周恩來等革命志士，曾在西湖飛鵝嶺指揮作戰。20世紀90年代，西湖景區與其西南的紅花湖景區組成惠州西湖風景名勝區，形成「六湖九橋十八景」。2018年，惠州西湖風景名勝區被評為國家5A級旅遊景區。

SHUIDONG STREET 水東街

水東，指東江與西枝江之間的陸地，與惠州府城有東新橋相連。因蘇東坡遷居白鶴峰，有「前年家水東」等句聞名。明代萬歷年間，歸善縣治從府城遷新縣城，「水東路」漸成街市，形成「一街挑兩城」格局，是廣東東部最大的商埠之一，持續繁榮300多年。老街區最能勾起文化記憶，現為廣東省級歷史街區，2022年入選國家級夜間文化和旅遊消費集聚區。

CHAOJING GATE 朝京門

位於惠城區環城西一路3號，朝京門，是惠州最堅固的城門。從明朝到民國，見證了六百多年的歷史，可惜在戰火中被毀。惠州市委市政府在故址旁邊重建城樓，2005年動工，2006年6月底建成。朝京門，始建於明代洪武三年(西元1370年)。洪武二十年(1389)，惠州設衛，再擴規模，改北門為「朝京門」，始傳其名。1925年10月，東征軍進攻惠州城時，以朝京門為主攻方向。守城敵軍約5000人，裝備精良。在陳炯明手下幹將楊坤如的指揮督戰下，戰鬥非常激烈。攻城部隊首日尚未能攻入城池。10月14日，周恩來親臨指揮，終於攻克惠州。1930年3月，黃埔軍官學校在五眼橋北側，立下東征革命烈士紀念碑。

WEIYUAN FORT 威遠炮台

威遠諸炮台舊址位於虎門鎮南面社區，包括威遠、鎮遠、靖遠、蛇頭灣、定洋臺及山頂營等，屬虎門要塞的第二道防線，炮台群構成的立體防禦體系，被譽為「南方海上長城」。1841年2月，民族英雄關天培坐鎮靖遠炮台指揮官兵與英軍激烈戰鬥，最後壯烈殉國。威遠炮台群在鴉片戰爭及其後來抵禦外國侵略的戰爭中均發揮了重要作用，也歷經了屢次的破壞與重修。

EAST LAKE HOTEL—EXHIBITION HALL OF CELEBRITIES RESCUING CHINESE CULTURAL EAST LAKE HOTEL

位於廣東省惠州市惠城區橋東上塘街70號，是廣東省黨史 教育 基地、惠州市國家安全教育基地、惠城區愛國主義教育基地。2020年，東湖旅店以排名第一的成績成功入選全國革命文物保護利用十佳案例以及2020年廣東省文物古蹟活化利用典型案例。2020年被列入惠州市文物保護單位，並成為一系列的學習教育研學實踐基地。

東湖旅店的前身並不是旅店，而是1942年香港秘密大營救的主要中轉站之一，由民國時期惠州籍紳士翟兩亭於1935年興建的私人洋樓，樓高3層，前庭後院佔地近千平方米。1938年翟兩亭將房子改成東湖旅店對外營業，這一改便與中國抗戰史上最偉大的搶救行動結下不解之緣。

「秘密大營救」歷時200多天，營救出包括何香凝、柳亞子在內的800餘人，其中，茅盾、張友漁、胡風、胡繩、戈實權等100多人曾入住過東湖旅店。當時在接到營救任務後，負責營救任務的盧偉如扮成香港商人入住東湖旅店，那時三樓住著國民黨187師的師長張光瓊，一樓設有崗哨，軍警密集。盧偉如恰恰認為「最危險的地方就是最安全的地方」，便包下東湖旅店2樓，作為秘密中轉站，為一系列驚心動魄的秘密大營救拉開了序幕。經過一系列鬥智鬥勇的行動，終於營救出滯港文化名人等。

TCL LCD INDUSTRIAL PARK TCL液晶產業園

位於仲愷高新區的TCL液晶產業園總投資26億元，分為液晶模組整機一體化工廠等工業區。該項目進一步確立了TCL在行業內的領先優勢，同時大幅度壓縮綜合成本，全面控制和降低採購成本；通過整機與模組的系統設計，使模組產品對內標準化、對外差異化，不斷提高產品的綜合競爭力；通過整機與模組的直接對接，減少中間流通環節，加快周轉，規避面板跌價風險，以提高綜合運營效率，提升企業核心競爭力。

TCL液晶產業園是當時國內彩電企業中投資規模最大、設備最先進最完備的整機一體化項目，該項目讓TCL對液晶電視生產利潤的掌握程度提高至60%~70%。作為TCL彩電製造總部，產業園有員工5000餘人，年產能整機1600萬臺。該項目也是TCL在平板產業技術轉型期，為實現彩電技術升級、提高企業核心競爭力的關鍵項目，對壯大支柱產業、實現產業的優化升級和結構調整、提高惠州市電子工業在全國、全省的競爭力，以及發展地方經濟都有著重要意義。至今，惠州液晶產業園是TCL TV業務取得全球出貨量第二的重要支撐。

AIRACE TECHNOLOGY CO., LTD. 泰一科技

廣東泰一高新技術發展有限公司(簡稱「泰一科技」)成立於2014年，現已獲得低空綜合服務領域全牌照資質。是全國首個低空行業數據空間的運營方、國內首個低空行業數商，是「國家級專精特新小巨人企業」、連續9年獲評「國家高新技術企業」、「國家級知識產權優勢企業」。企業先後獲選參與國家工信部《低空智聯網關鍵技術研究及演示驗證》、國家發改委《全空間無人體系建設》等國家工程，與華南理工大學、香港科技大學(廣州校區)、香港理工大學、北京航空航大、北京理工大學等專業院校建立了聯合研發機構，先後產出無人機國際標準(ISO/TC20/SC16)3套，無人機領域國家標準(GP)9套，數據資產憑證19套，相關專利、軟著180餘項。

歷經十年發展，泰一科技自主投資建成了全國最大的低空感知網路，建成了民航級無人機運營指揮中心，兩個互為備份的等保三級數據中心，實現了數據採集、數據處理、數據交易、數據應用、運營調度及AI服務的全鏈條關鍵環節技術自主可控，並基於全棧自研技術打造了國內首個「低空DaaS」(數據即服務)體系。數據產品全面應於省「百千萬」工程、城市巡檢、農林巡護、生物監測、環境保護、水利管理、活動保障、應急救援、治安防控、交通管理、專案管理、物業管理、礦山管理、金融保險等場景，為近百家政企客戶提供全方位低空數據服務，達到國內先進水準。

DONGGUAN 東莞市

東莞以製造產業立市，起步於製造，發展於製造，揚名於製造，從一個傳統的農業縣發展成為新興的國際製造業名城，是改革開放的一個精彩縮影。來自不同國家和地區的朋友在東莞投資創業、和諧相處，東方與西洋、傳統與現代、高雅與通俗、沿海與內地等多種文化在這裏交匯融合、共同發展，構建了東莞多層次的文化立交橋。體育文化的激情燃燒，體育健將的聲名鵬起，又為東莞走向中國畫下濃墨重彩的一筆。

東莞是廣東歷史文化名城，有著1700多年的郡縣史，距今1700多年前的三國時期建郡，是嶺南文明的重要發源地，中國近代史的開篇地和改革開放的先行地。東莞市屬亞熱帶季風氣候，長夏無冬，日照充足，雨量充沛，溫差振幅小，季風明顯。東江、石馬河、寒溪水這三條主要河流為東莞帶來桑基魚塘河網水鄉風情。林則徐銷煙池、沙角炮臺等抗英古戰場遺址；鴉片戰爭博物館、海戰館等愛國主義教育基地；東江人民的根據地、大嶺山抗日史實陳列館等抗日遺址；可園、袁崇煥故居等人文古蹟……無一不展示出一個源遠流長、激情奮進的東莞！

東莞，位於廣東省中南部，珠江口東岸，廣州、深圳、香港經濟走廊中段。東晉鹹和六年(公元331年)立縣，初名寶安，因在廣州之東，境內盛產莞草，唐至德二年(公元757年)更名東莞。

DONGJIANG RIVER BASIN WATER QUANTITY AND QUALITY MONITORING AND CONTROL CENTRE 東莞市塘廈鎮東深供水工程紀念園

東深供水工程是黨中央為解決香港同胞飲水困難興建的跨流域大型調水工程，1965年3月1日正式向香港供水，近60年來保持安全穩定不間斷運行，供水量占香港淡水總量的70%至80%、深圳用水量的50%以上、東莞沿線8鎮用水量的80%以上，為香港的繁榮穩定和深莞的經濟騰飛提供了重要支撐。近年來，在粵海水務的高質量運營管理下，工程屢獲殊榮——工程建設者群體獲中宣部「時代楷模」榮譽稱號，該工程被命名為「全國愛國主義教育示範基地」，獲評水利部首批標準化管理調水工程、「人民治水·百年功績」治水工程，入選廣東省習近平新時代中國特色社會主義思想研究中心調研基地。

在東深供水工程全長68公里的輸水線路上，太園思源館、金湖紀念園、粵海水務展覽館三座展覽館悠然而立，成為工程面向社會開展水情教育和愛國主義教育的主要載體。太園思源館位於工程取水點——東莞市橋頭鎮，1965年，在「東深供水工程落成典禮」上，港九工會聯合會及香港中華總商會向大會贈送了錦旗「飲水思源，心懷祖國」，思源館之名由此而來。走進序廳，LED數字河流、供水生命線等立體裝飾展示了工程建設的歷史背景及時代意義，浮雕上方「要高山低頭，令河水倒流」的豪邁口號仿佛使人置身於建設場景。展廳則圍繞「情系一水，愛國愛港」主題，綜合運用歷史實物、全息沙盤和圖文視頻等展陳形式，讓參訪者深刻感悟東深供水工程建設者群體「時代楷模」的崇高精神。

OPIUM WAR MUSEUM 鴉片戰爭博物館

鴉片戰爭博物館(虎門林則徐紀念館)坐落於廣東省東莞市虎門，是紀念性和遺址性相結合的專題博物館，下轄林則徐銷煙池舊址、海戰博物館、威遠炮台舊址、沙角炮台舊址4個管理點，管理的林則徐銷煙池與虎門炮台舊址是全國重點文物保護單位，是鴉片戰爭時期的歷史見證，管理面積約80萬平方米。

鴉片戰爭博物館始建於1957年，建館初期館名為「林則徐紀念館」，1972年更名為「鴉片戰爭虎門人民抗英紀念館」，1985年重新定名為「虎門林則徐紀念館」，為利於對鴉片戰爭遺址的管理，又增加一個館名——鴉片戰爭博物館。1987年7月和1988年1月先後成立沙角炮台管理處和威遠炮台管理處，分別管理沙角和威遠島諸炮台遺址。1999年12月，海戰博物館正式對外開放。鴉片戰爭博物館負責收藏、研究、陳列林則徐銷煙與鴉片戰爭文物史料，保護林則徐銷煙池與虎門炮台舊址及有關文物，利用這些文物資料向廣大觀眾進行愛國主義宣傳教育。鴉片戰爭博物館的基本陳列是《虎門銷煙》、《鴉片戰爭》。

THE CITY UNIVERSITY OF HONG KONG (DONGGUAN) 香港城市大學（東莞）

為進一步推動優異的研究能力和專業教育以服務粵港澳大灣區的建設，並完善其高等教育空間佈局，2020年初，香港城市大學與東莞市政府、東莞理工學院簽署合作辦學協議，於東莞市松山湖科學城內建設具有獨立法人資格的內地與香港合作辦學機構——香港城市大學（東莞）（港城大（東莞））。港城大（東莞）位於松山湖科學城屏山東片區，莞深高速南側，依山傍水，乃是營建高等學府的理想之地。校園總面積約723畝，其中一期校園已於2023年底投入使用，二期校園計畫於2027年內完成建設。

港城大（東莞）將在未來的教學、研究和知識轉移等方面起領頭作用。在借鑒港城大優勢學科、國際聯繫和師資的基礎上，強化兩校在學科領域內相互支撐、深度互動，滿足大灣區高等教育發展的需求並對接產業發展需求。港城大與港城大（東莞）關聯的核心是一致的學術素質，兩者將通過學術規劃、學生交流、師資培訓、研究及成果轉化緊密相連，相輔相成。符合學位授予資格的港城大（東莞）畢業生將同時獲得港城大的學位。

DONGGUAN BINHAI BAY HONG KONG & MACAU YOUTH INNOVATION AND ENTREPRENEURSHIP BASE 東莞濱海灣港澳青年創新創業基地

東莞濱海灣港澳青年創新創業基地立足粵港澳大灣區幾何中心的濱海灣新區，以「鏈接港澳、聯動前海、輻射灣區、智造全球」為核心使命，依託OPPO、vivo、小天才等環濱海灣智造龍頭產業基礎，聯動莞港澳臺深高校科研及商協會創新資源網路，構建濱海灣智慧終端與開放科創加速平臺，打造「技術轉移+創新孵化+產業加速+資本助力」全鏈條服務體系。

基地由斑馬星球科創加速平臺、粵港澳大灣區科技領軍人才創新驅動中心（東莞）、產學研IUR30平臺共建，由東莞市斑馬開放科創有限公司運營，形成「1基地+1平臺+1中心」的架構，打造1+4+N產業驛站體系，通過主要整合東莞濱海灣片區、長安、虎門、沙田、厚街科技智造業及大灣區各地核心產業資源優勢，推動人工智慧+智能終端產業生態，為粵港澳臺及國際青年人才提供技術轉化、產融對接、跨境協作的「超越資本效率」創新支點。

ACKNOWLEDGEMENTS

鳴謝

The Dragon Foundation would like to express its most sincere thanks to the following supporter for their generous help in 2025 "Dragon 100".
龍傳基金謹向慷慨捐助及熱心支持本基金的社會各界人士和團體，推動「龍匯100」，致以謝意。

THE DRAGON FOUNDATION

龍傳基金

2000 was both the start of the new millennium and, according to the Chinese calendar, the Year of the Dragon. To commemorate these auspicious events, the Home Affairs Bureau and Home Affairs Department of the Hong Kong Special Administrative Region (HKSAR) Government, The Hong Kong Federation of Youth Groups and The All-China Youth Federation co-organised the project "Dragon at the Great Wall – Commemorating the New Millennium: A Vision for Youth".

This special project included a youth conference, entitled, "Meeting the Challenges of the New Millennium", with discussions focused on the theme, "Visualising the Trends of Global Development and the Challenges of the 21st Century". Held at the Great Hall of the People in Beijing and attended by more than 3,000 Chinese youths from across the globe, the event culminated in raising a 10,000-foot-long dragon at the Great Wall which then successfully broke the current Guinness World Record for the longest dragon dance.

Following this successful event, and with community support and encouragement, The Dragon Foundation was set up, taking forward the aims manifested by Dragon at the Great Wall. The Foundation was established in Hong Kong and inaugurated on 12 February 2000. The Foundation is incorporated under the Companies Ordinance and registered as a non-profit, charitable organisation. The Foundation's Board of Directors includes representatives of the HKSAR Government, The Hong Kong Federation of Youth Groups and prominent leaders from various sectors of the community. The Foundation's Secretariat is administered by The Hong Kong Federation of Youth Groups.

二零零零年為新世紀的開始，正值中國農曆的龍年。千禧時刻，香港特別行政區政府民政事務局及民政事務總署、香港青年協會以及中華全國青年聯合會合辦「千禧龍騰——海內外青年匯長城」計劃。

計劃包括在北京人民大會堂舉辦以「前瞻廿一世紀全球新趨勢及挑戰」為主題的「邁向新世紀研討會」，以及成功刷新舞動長龍健力士世界紀錄的「龍舞長城」。兩項大型青年交流活動共有超過三千名海內外華裔青年參與。

延續「邁向新世紀研討會」及「龍舞長城」兩項活動的精神，加上社會大眾的廣泛支持，龍傳基金於二零零零年二月十二日在香港正式註冊成立。基金為非牟利慈善機構，由獨立董事會管理，董事會委員包括香港特別行政區政府及香港青年協會委任的代表，以及社會各界的傑出人士。基金秘書處設於香港青年協會。

THE HONG KONG FEDERATION OF YOUTH GROUPS (HKFYG.ORG.HK | M21.HK)

香港青年協會 (HKFYG.ORG.HK | M21.HK)

The Hong Kong Federation of Youth Groups (HKFYG) was founded in 1960 and is now the city's largest youth service organisation. For the past six and a half decades, it has been committed to serving the youth of Hong Kong by providing a variety of services, activities and programmes, which have an annual attendance of over 4.5 million. We encourage youth to reach their fullest potential, and with community support, we now have over 90 service units. We also have 12 core services, which include the Youth S.P.O.Ts, M21 Multimedia Services, Employment Services, Youth at Risk Services, Counselling Services, Parenting Services, Leadership Training, Volunteer Services, Education Services, Creativity Education and Youth Exchange, Leisure, Cultural and Sports Services, and Research and Publications. Our aim is to motivate young people to grow into responsible and dutiful citizens and we now have over 260,000 registered volunteers and over 500,000 registered members. We believe that our motto **HKFYG • Here for You** reaffirms our commitment and dedication to the young people of Hong Kong.

香港青年協會（簡稱青協）於1960年成立，是香港最具規模的青年服務機構。隨著社會瞬息萬變，青年所面對的機遇和挑戰時有不同，而青協一直不離不棄，關愛青年並陪伴他們一同成長。本著以青年為本的精神，我們透過專業服務和多元活動，培育年青一代發揮潛能，為社會貢獻所長。至今每年使用我們服務的人次接近450萬。在社會各界支持下，我們全港設有90多個服務單位，全面支援青年的需要，並提供學習、交流和發揮創意的平台。此外，青協登記會員人數已達50萬；而為推動青年發揮互助精神、實踐公民責任的青年義工網絡，亦有超過26萬登記義工。在「青協•有您需要」的信念下，我們致力拓展12項核心服務，全面回應青年的需要，並為他們提供適切服務，包括：青年空間、M21 媒體服務、就業支援、違法防治、輔導服務、家長服務、領袖培訓、義工服務、教育服務、創意交流、文康體藝及研究出版。

THE HONG KONG JOCKEY CLUB

香港賽馬會

Founded in 1884, The Hong Kong Jockey Club is a world-class sports and entertainment organisation that acts continuously for the betterment of our society. The Club has a unique integrated business model, comprising racing and racecourse entertainment, a membership club, responsible sports wagering and lottery, and charities and community contribution. Through this model, the Club generates economic and social value for the community and supports the HKSAR Government in combatting illegal gambling. In 2024/25, the Club returned a total of HK\$39.1 billion to the community. This included HK\$30.1 billion to the HKSAR Government in duty, profits tax and Lotteries Fund contributions and HK\$9.0 billion in approved charity donations. The Club is Hong Kong's largest single taxpayer and one of the city's major employers. Its Charities Trust is one of the world's leading charity donors.

香港賽馬會（馬會）成立於1884年，是致力建設更美好社會的世界級體育及娛樂機構。馬會透過其結合賽馬及馬場娛樂、會員會所、有節制體育博彩及獎券，以及慈善及社區貢獻的獨特綜合營運模式，創造經濟及社會價值，並協助香港特區政府打擊非法賭博。2024/25年度，馬會回饋社會共391億港元。當中包括透過各項博彩稅、利得稅及獎券基金撥款，向香港特區政府貢獻301億港元，以及已審批慈善捐款90億港元。馬會是全港最大的單一納稅機構，也是香港主要僱主之一，其慈善信託基金是位居世界前列的慈善捐助機構。
